### COMPATIBILITY AND INTENDED USE

The MSW Two-Leg Kickstand is intended to be installed on bikes used for riding on paved surfaces where the tires maintain contact with the ground.

The MSW Two-Leg Kickstand is designed to fit on frames with or without a kickstand plate, and on bikes with 700c or 26" wheels.

**NOTE:** For frames without a kickstand plate, please consult the frame manufacturer for compatibility. Installation of a kickstand on a frame that is not kickstand-compatible can damage the frame.

### TOOLS

- 8mm hex wrench
- 14mm open-end wrench
- Grease

### INSTALLATION

1. Clean the frame or kickstand plate of dirt, grease, and other contaminants.
2. Lightly grease threads of fixing bolt.
3. For frames with a kickstand plate: insert 8mm socket-head fixing bolt through split washer and kickstand plate of frame and thread into kickstand. Do not use top plate or 14mm hex-head fixing bolt.
4. For frames without kickstand plate: insert 14mm hex-head fixing bolt through split washer, top plate, between chainstays, and thread into kickstand. Position kickstand as close to the bottom bracket shell as possible without interfering with cables.
  - ⚠ **WARNING:** Before fully tightening fixing bolt, ensure neither the kickstand, fixing bolt, nor top plate interfere with derailleur cables.
  - ⚠ **WARNING:** Over tightening the kickstand on frames without a kickstand plate can damage the frame, rendering it unsafe to ride.
5. Tighten fixing bolt until snug and kickstand can no longer move, or to the frame manufacturer's specification.

### ONGOING MAINTENANCE

Periodically inspect your Two-Leg Kickstand to make sure the fixing bolt is tight and the kickstand cannot move.

### LIMITED 2-YEAR WARRANTY

MSW warrants this new MSW product against defects in materials and workmanship for two (2) years from the original date of retail purchase by the consumer. This limited warranty is expressly limited to the repair or replacement of the original product, at the option of MSW, and is the sole remedy of the warranty. This limited warranty applies only to the original purchaser of the MSW product and is not transferable.

In no event shall MSW be liable for any loss, inconvenience or damage, whether direct, incidental or consequential or otherwise resulting from breach of any express or implied warranty or condition of merchantability, fitness for a particular purpose, or otherwise with respect to this product except as set forth herein. This warranty gives the consumer specific legal rights, and those rights and other rights may vary from state to state.

This warranty does not cover the following:

- Damage due to improper assembly or follow-up maintenance or lack of skill, competence or experience of the end user
- Products that have been modified, neglected, used in competition or for commercial purposes, misused or abused, involved in accidents or anything other than normal use
- Damage or deterioration to the surface finish, aesthetics or appearance of the MSW product
- Normal wear and tear
- Labor required to remove and/or refit and re-adjust the product within the bicycle assembly
- Installation of components, parts, or accessories not originally intended use with or compatible with MSW products

TO THE EXTENT NOT PROHIBITED BY LAW, THESE WARRANTIES ARE EXCLUSIVE AND THERE ARE NO OTHER EXPRESS OR IMPLIED WARRANTIES OR CONDITIONS INCLUDING WARRANTIES OR CONDITIONS OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

### WARRANTY PROCESS

We will happily back up our products if there is a problem that is our fault. If you and your shop think your MSW product is worthy of a warranty inspection, please return the product to the original place of purchase, accompanied by a sales receipt.
