

Thank you for your purchase!

⚠ WARNING: Cycling can be dangerous. Bicycle products should be installed and serviced by a professional mechanic. Never modify your bicycle or accessories. Read and follow all product instructions and warnings including information on the manufacturer's website. Inspect your bicycle before every ride. Always wear a helmet.

For additional product and safety information go to: www.mswbike.com/safety.

COMPATIBILITY

The MSW Pencil Gauge is intended for use with Schrader valve bicycle tires between 10–120 PSI air pressure.

USE INSTRUCTIONS

1. Check pressure before riding.
2. Make sure valve is free of dirt and debris.
3. Press gauge firmly onto valve stem and observe reading (Fig. 1).

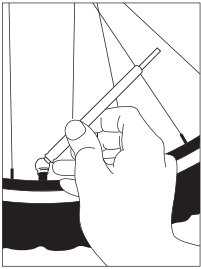

Figure 1

4. Adjust pressure as needed.

NOTE: Do NOT over-inflate.

ONGOING MAINTENANCE

Periodically inspect the pressure gauge for debris and clean with cloth.

WARRANTY PROCESS

If you and your shop think your MSW product is worthy of a warranty inspection, please return the product to the original place of purchase, accompanied by a sales receipt.
